*Standard 15b Alternative start from Riddlesdown walk directions to page 170, column 1, end of paragraph 3.*

Ignore the footpath fork to the right, and continue ahead, your direction 160 degrees. After 35 metres *turn left up a car wide track*. In 100 metres at a T-junction with Hayes Lane, cross over to go through a gate and *turn right towards the left-hand side of a bunker*. After 200 metres you reach the RAF Kenley tribute memorial on your right. Immediately *beyond the memorial, turn right* along a tarmac path and after 80 metres go through a wooden gate to re-cross Hayes Lane, to then go through a wooden kissing gate (by a Coulsdon Common notice board) to go down a footpath through a wood, your direction south.

In 100 metres you emerge at the top corner of a field. Continue down across it into the valley, your direction 160 degrees. After 170 metres *at the valley bottom* cross over a path and in 25 metres *turn half right up a car wide grass track* (between woods), your direction 220 degrees. *In 120 metres at an open space turn right*, down a wide grass track, your direction 260 degrees.

[!] *After 90 metres turn left* through a (partially hidden) wooden gate to go along a grass path along the side of the hill, your direction 170 degrees. *In 70 metres* where the path forks, *take the right hand downhill fork*, your direction 200 degrees. In 120 metres go through a wooden gate to reach the main road after 25 metres.

*Cross the road. Ignore a path forking up to the right to continue straight ahead uphill on a footpath*, your direction 250 degrees. *In 20 metres take the right hand fork*, continuing uphill more obliquely, your direction now 290 degrees. In 150 metres a path merges from the left. After 30 another metres you pass a pond on your right.

*To continue the walk, refer to the walk directions page 170, column 2, paragraph 2: "In 150 metres...."*
