Walk Directions

OpenStreetMap (not OS) mapping is used in the PDF for licence reasons.

1. From the entrance of Hampstead underground turn left down the High Street.
2. After 50 metres, turn left up Flask Walk (initially pedestrian only). Continue for 500 metres along Flask walk and subsequently Well Walk in a north easterly direction to reach the Heath.
3. From here an anti-clockwise route around Hampstead Heath is suggested: Via Parliament Hill and to the west of Highgate Ponds, and south of Kenwood House, to then go in a southerly direction.
4. Exit the Heath along East Heath Road at the point that it leaves the edge of the Heath, to go up East Heath Road in a westerly direction.
5. After 300 metres cross over a main road junction at a set of traffic lights.
6. Once over (with a pond on your right-hand side), turn left through a car blocked area for 20 metres to join the top of Hampstead Grove. Veer left down Hampstead Grove for 350 metres, (your direction south), to then join Holly Bush Hill, with a small green on your right-hand side. In 30 metres veer left and after 20 metres turn left up Holly Mount for the Holly Bush pub.
7. **Route back to Hampstead underground station:** Coming out of the Holly Bush pub go straight ahead for 30 metres to then turn left down some steps leading to the main road. Turn right to reach Hampstead underground on your left-hand side after 100 metres.
