## Riddlesdown to Coulsdon South

### Coulsdon Common, Happy Valley and Farthing Downs.

**Start and Finish:** Riddlesdown station.

**Finish:** Coulsdon South station

**Length:** 16.8km (10.4 miles). For a shorter walk and other variations, see *below* **Walk options**.

**Time:** 5 hours. For the whole excursion, including trains and meals, allow 7 hours.

**Transport:** Two trains an hour (more at peak times; one an hour on Sunday) run from London Victoria to Riddlesdown (journey time: 24 minutes). Riddlesdown is in Transport for London zone 6, so a one-day travelcard is an option. Take the train nearest to 10.15am. If going to Coulsdon South, a 10.45am train is suggested. If driving the circular walk from Coulsdon South is the best option. There is very limited parking at Coulsdon, so this is one walk where public transport is by far the better option.

**OS Landranger Map:** 187

**OS Explorer Maps:** 146 (and 161 for part of the Riddlesdown start). Coulsdon, map reference TQ325610, is in Surrey, 10km north of Redhill.

**Toughness:** 4 out of 10

**Walk Notes:** Considering that it starts in the suburbs of London (and within the boundaries of Transport for London zone

6), this walk passes through some remarkably unspoilt countryside. Farthing Downs, Kenley Common, Riddlesdown and Coulsdon Commons are all ancient grazing lands, lovingly preserved as part of the London Greenbelt, and offering a delightful series of woods and open spaces. In spring the area is famous for its wild flowers, including several bluebell woods, while in autumn it is a riot of gold. This is also a fine walk for a brisk winter's day, and in summer offers numerous idyllic spots for a picnic.

**Walk options:** Directions for the alternative start and the shortcut are given at the end of the main walk text.

**a) Shortening the walk:** By using the short cut to Chaldon Church at the point indicated in the text 1.7km after the Fox pub ([at point \[4\]](#)), you can cut 4.3km off either the main walk, or the option below.

**b) Alternative circular walk from Coulsdon South:** By starting at Coulsdon South, also within TfL Zone 6, you can make the walk slightly shorter to 14.2km (8.8 miles). Trains to Coulsdon South also go from Victoria and London Bridge, with a similar journey time.

An option for this walk finishing at Kingswood (also within TfL Zone 6) is available on the website of the Saturday

Walkers' Club [www.walkingclub.org.uk](http://www.walkingclub.org.uk) in the 'Time Out Country Walks 2' section.

You can also end the walk at the Fox pub (point [3]) and catch the 466 bus from the end of Fox Lane to East Croydon station (phone 020 8673 6109 for bus times), or the 404 bus to Coulsdon South station (call 020 7222 1234 for bus times).

In 100 metres turn left along a footpath following the London Loop signpost, initially with a garden fencing on the right and woods on left. In 100 metres at a path T-junction, turn right. After 50 metres you come out to a corner of a field. [!] Turn left and then sharp left again to re-enter the woods, your direction 170 degrees.*

In 60 metres, at a path T-junction marked by a three-armed footpath signpost, continue straight ahead, now with a wooden fence on your right. After 50 metres cross a shingle driveway. In 25 metres you come out onto a lane with the **Wattenden Arms** pub, a possible lunch stop, directly in front of you. [2]

In 70 metres where the path forks, take the right hand downhill fork, your direction 200 degrees. In 120 metres go through a wooden gate to reach the main road after 25 metres.

[Note 1 - Occasionally livestock is kept in this field, in which case the gate(s) are often padlocked to prevent access to the nearby road. If this is the case, continue down the wide grass track for 70 metres, and turn left along a path that leads out to the road after 130 metres.]

Initially on the level, further on the bridleway descends gradually and then more steeply. In 750 metres, *at the bottom of the hill, turn left at a four-armed wooden signpost, following the arm to Leazes Avenue*, your direction 230 degrees.

Follow the path uphill through woods. In 450 metres *the path merges with a gravel lane*. Continue along the lane, your direction south. After 280 metres you reach a three-armed wooden signpost. **[4]**

## WALK OPTIONS

### a) Shortening the walk:

*Follow main walk directions until point [4]*

*Turn right here to follow the arm for 'Chaldon Church ¼ mile', along a footpath with the wood on your right and a field on your left, your direction 280 degrees. After 200 metres you reach the corner of the wood and continue ahead, now with a large field on your right.*

*In 200 metres you reach a lane and turn right. In 10 metres take the lane forking up to the left to reach the entrance to Chaldon Church after 60 metres. You now resume the walk directions at [point \[7\]](#) in the main walk directions above.*

### b) Alternative start from Coulsdon South:

From platform 2 of **Coulsdon South** station, *go down some concrete steps and along a tarmac path*. After 50 metres *go up some steps to meet a minor road and turn left*, marked by a metal signpost indicating the London Loop.

*In 100 metres at a T-junction turn right up a main road*. After 25 metres *fork right up a road* with a sign 'Weak bridge 1 mile ahead'. In 30 metres you pass by a large Corporation of London sign on your left for **Farthing Downs**.

*In 50 metres the road forks. Take the right fork along the pavement*. After 90 metres, *where the road curves to the right, fork left to cross the road* and pass between two wooden bollards next to a London Loop, footpath post. *Cross over the parallel road towards a wooden gate to the left of a cattle grid*.

*In 20 metres go through the gate to go up a grass path, bordered by a wood on your left and parallel to the road up to your right*.

Continue up this path in the same direction, with a wood (and subsequently a mini pylon cable run) to your left, ignoring all turnings off. *After 1.5km (and 80 metres beyond where the mini-pylon cable run forks down into the valley), go through a wooden gate*. In a further 70 metres the path comes up to a crosspaths, with a cream painted house up ahead (with a car park off to its right), some 200 metres distant.

*Turn left down a stony track into the wood, your direction 140 degrees*. In 30 metres at a crosspaths, *veer left to follow the path more steeply down towards the valley bottom, your direction now 80 degrees*. After 110 metres you *emerge from the wood and turn right along a wide path bordered by woods*, to go along the bottom of **Happy Valley**, your direction 160 degrees.

After 450 metres, where the path forks, ignore a bridleway up to the left, to *keep on the lower path* to the right, *along the valley bottom*, your direction 120 degrees.

After 80 metres where the woods on either side clear, ignore a path veering to the right towards a car wide gap in the distance, to continue on the left path as it gradually veers to the left.

In 300 metres *the path merges with another from the right, as you now start to go up the side of the valley* towards a wooden table and benches, next to a three-armed wooden footpath signpost, by the edge of a wood.

**[B2]** In 100 metres you pass by the table and a London Loop arrow and the footpath sign to Coulsdon Common, into a wooded area, your direction 140 degrees. In 15 metres take the (lower) right-hand fork. In a further 25 metres you emerge from the wooded area with fine views of the valley to the right.

Continue up this path. In 200 metres, *at a three-armed wooden footpath, continue straight on towards Coulsdon Common* up into a wooded area. In 80 metres, as you emerge from the wooded area and pass a London Loop footpath post, the path levels off and becomes a car-wide tarmac track. Further on you pass a fitness trail on your right.

After 300 metres pass round a wooden fieldgate with a car park on your right. Continue straight ahead, passing a van blocking metal height barrier after 50 metres. In a further 120 metres you reach **The Fox** pub on your right, the recommended lunch stop.

You now *resume the main walk directions at [point \[3\]](#)*.

## Lunch & tea places

**Wattenden Arms** *Old Lodge Lane, Kenley, CR8 5EU (020 8763 9131). Open*

noon-11pm Mon-Sat; noon-10.30pm Sun. **Food served** noon-2.30pm, 6-9pm Mon-Sat; noon-2.30pm Sun. Just past Kenley Common, this pub serves a moderately inventive menu. It's smaller than the Fox but has a cosy charm. This is a suggested earlier lunch alternative.

**Fox Coulsdon Common, Caterham, CR3 5QS, (01883 330401). Open** 11am-11pm Mon-Sat; noon-10.30pm Sun. **Food served** noon-10pm Mon-Sat; noon-9.30pm Sun. Located 6.3km into the walk, the Fox serves food all day and has a large seating capacity, both inside and in the garden. This is the suggested lunch option for the main walk.

Options for tea are somewhat limited: this is perhaps a good walk to bring a thermos flask, as Farthing Down and Happy Valley both have benches with fine views for a picnic tea. Otherwise, in Farthing Down car park there is often a refreshment trailer at weekends and on fine summer days. Alternatively try the **Poppy Café** in Coulsdon Memorial Ground, which is opposite Reddown Road and a 5-minute walk to Coulsdon South station.

Alternatively continue down into Coulsdon for **The Pembroke**, 12-16 Chipstead Valley Rd, Coulsdon CR5 2RA.
